

## Individual Tailored Worming Programme Questionnaire

1. How many horses do you own?
2. Please list their names, sex and breed and if you have specific individual concerns about worm burden?

Name	Age	Sex	Breed	Concerns?

3. How many horses are kept on the premises?
4. Type of premises/livery? (e.g. private, DIY, full livery) *Please circle*

Private yard/ at home	DIY/assisted livery	Full livery	Other
-----------------------	---------------------	-------------	-------
5. Brief details of current worming programme:
6. Date last wormed and product used:
7. Do you poo pick on a regular basis?
8. Do your horses share grazing with horses other than your own? (i.e. are you the only owner responsible for the horses in your field?)
9. Would you be interested in using worm egg counts on a regular basis in order to minimise the number of wormers used? (this is not necessarily a more expensive option)
